The information contained within this announcement is deemed by the Company to constitute inside information stipulated under the Market Abuse Regulation (EU) No. 596/2014, as retained as part of the law of England and Wales. Upon the publication of this announcement via the Regulatory Information Service, this inside information is now considered to be in the public domain.

Kondor AI PLC

("**Kondor**" or the "**Company**")

Annual Results

Kondor (AQSE: KNDR), a technology company developing advanced artificial intelligence ("AI") products, announces its audited results for the period from 1 December 2022 to 30 September 2023.

The full Annual Report of the Company is available on the Company's website: https://www.kondor.ai/.

About Kondor

Kondor operates a software business engaged in the development of advanced AI products with a particular focus on vision-based AI, offering these to business customers through a "software as a service" (SaaS) model.

The Company's main product is the Kondor AI app, which analyses pictures and live photos, providing solutions to questions and challenges based on visual input.

The directors of Kondor accept responsibility for this announcement.

This announcement may contain "forward-looking" statements and information relating to the Company. These statements are based on the beliefs of Company management, as well as assumptions made by and information currently available to Company management. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.
