07 May 2024

Kondor AI PLC

("Kondor" or the "Company")

Commencement of Trading on OTCQB Venture Market

Kondor (AQSE: KNDR), one of the first vision-based Artificial Intelligence (AI) assistant built for mobile devices, is pleased to announce that the Company's Ordinary Shares began trading on 07 May 2024 on the OTCQB Venture Market ("OTC") in the United States. The Company's shares will trade on the OTC Market under the ticker **KOAPF**.

Kondor's OTCQB information can be found on the OTC Markets website:
https://www.otcmarkets.com/stock/KOAPF/overview

There is no associated capital raise with this cross trade and Kondor's Ordinary Shares will continue to trade on its primary listing, the Access segment of the Aquis Stock Exchange under the ticker **KNDR**.

Cross trading on the OTCQB market allows the Company to access one of the world's largest investment markets to expand its reach into a broader pool of investors. Kondor's shares will be available to US investors during US working hours and priced in US dollars and thus has the potential to enable greater liquidity in the Company's shares on the Aquis Stock Exchange by easing cross-border trading for potential US investors. Further information about the OTCQB market can be found at: https://www.otcmarkets.com/learn/market-101

This announcement contains information which, prior to its disclosure, constituted inside information as stipulated under Regulation 11 of the Market Abuse (Amendment) (EU Exit) Regulations 2019/310 (as amended).
