1.6.2. We shall, after the posting of the circular to be sent to shareholders of the Target containing an explanatory statement in respect of the Scheme (**Scheme Document**) (and without prejudice to our right to attend and vote in person at any meeting), return or procure the return of the signed forms of proxy enclosed with the Scheme Document (completed and signed and appointing the chair to vote in favour of the Resolutions) in accordance with the instructions printed on such forms of proxy, as soon as possible and in any event within seven days after the posting of the Scheme Document, or in respect of any Shares subsequently issued to us, within five business days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.13.2; and

1.7.2. if applicable, vote in favour of or accept the Acquisition in respect of any shares in the Target that we receive on exercise of the Warrants.

1.8. If the Acquisition is structured or restructured as a contractual takeover offer (within the meaning of section 974 of the Companies Act), we will no later than the seventh business day after the despatch of the document containing the terms and conditions of the Acquisition (**Offer Document**) validly accept or procure the valid acceptance of the Acquisition in respect of all of the Shares in accordance with the procedure for acceptance set out or referred to in the Offer Document (or, in the case of Shares issued after such time, within five business days of their issue).

1.9.6. enter into any agreement or arrangement or permit any agreement or arrangement to be entered into or incur any obligation or permit any obligation to arise, whether conditional or unconditional, to do any act referred to in this paragraph 1.9.

1.10. Without prejudice to paragraph 1.9, we shall;

1.10.1. exercise (or procure the exercise of) the voting rights attached to the Shares at any general meeting of members of the Target convened after the Press Announcement as the Bidder may direct in respect of any resolution (whether or not amended) the passing of which assists the implementation of the Acquisition; and

Nothing in this undertaking shall prevent us from selling, transferring or otherwise disposing of any of the Shares or any interest in any of them to fund the discharge of any tax or social security contribution liabilities arising in respect of the exercise of the Warrants which the Target is required to withhold, provided that any such sale, transfer or disposal is made or conducted in accordance with Target's reasonable direction to maintain an orderly market of Target’s shares.

2. We consent to the issue of the Press Announcement in the terms attached or amended as specified above. We understand that, in accordance with the Takeover Code, particulars of this undertaking will be contained in the Offer Document or Scheme Document (as appropriate) and also that a copy of this undertaking may be disclosed to the Panel and will be available for inspection on the Company's website during the period in which the offer is open for acceptance (or, in the case of a Scheme, until its effective date).
